International Degree Program in Climate Change and Sustainable
Development Potential Advisor Agreement Form

Applicant Name: _____

- ☐ I have communicated with this applicant and the applicant's research interests seem to align with mine.
- ☐ I have seen the complete application packet for this applicant and am satisfied with the applicant's academic record and preparation.
- ☐ If this applicant is admitted, I will act as his or her advisor pending satisfactory progress in the program.
- ☐ (Only for international applicants) I will fund this applicant the matching grants (PhD: NTD15,000/month or more, Master: NTD8,000/month or more) so as to apply for the NTU Outstanding International Graduate Student Scholarship. Note: 台大國際優秀研究生獎學金配合款

My comments about the applicant for the IPCS admission committee
(Potential Advisor can directly submit this form to IPCS.)

Potential Advisor Signature (IPCS teachers only) _____

Date _____

Applicant is highly recommended to communicate with at least one IPCS faculty for potential advising intention. The agreement to act as a potential advisor is an important plus for consideration of admission, but is not equal to admission.
